DESTINATION INFORMATION

The island of Saint Martin is the smallest land mass in the world to be shared by two different nations. Only 96 square kilometers/37 square miles are governed by France and the Kingdom of the Netherlands (where Dutch Saint Martin is an independent country within the Kingdom). St. Martin provides vacationers the opportunity to enjoy three distinct cultures in this small island in the Caribbean Sea. There is the delightfulness and soberness of the Dutch on one side, the savoir-faire of the French on the other, and the blending of both with exotic native heritage. The French territory where Secrets St. Martin is located, covers about two thirds of the island and is technically a part of Europe and the European Union. Enjoy nearby fine dining, superb golfing, hiking, island hopping, ziplining and more, located around Secrets St. Martin. Our tour desk can help you arrange private or group excursions to these wonderful nearby attractions.

**Note: All beaches in St. Martin are public and topless optional.*

Local Points of Interest:

- Fort Louis/ 10KM/6Miles 20min
While there's not much left of the historic bulwarks and towers of the French colonists who once commanded the ports and straits over Marigot Bay, it's still worth making the trek up the winding paths that start at the end of Rue du Fort Saint Louis to see this crumbling historic site.
- Sail across to Tintamarre Island /At location
A stone's throw across the Caribbean straits from the iconic beaches of Cul-de-Sac and Orient is where the speck of Tintamarre rises from the sea.
- Orient Bay Beach 5KM/3,1 Miles 5min
There are plenty of reasons why so many travelers hail the sloping yellow-white sands and turquoise shallows of Orient Bay, running in an arc of Caribbean color around the north-eastern side of the island, as one of the top seaside locations on the globe.
- Loterie Farm Ziplining 10KM/6 Miles 20min
Built on the land of an historic plantation, Loterie Farm is now an all-round resort that hugs the green and pretty edges of Pic Paradis hill
- Hike to the summit of Pic Paradis 10KM/6 Miles 20min
Overlooking the whitewashed homes and sparkling beaches of Orient Bay, the pretty French Quarter of Orleans and the brackish lagoons that encompass Philipsburg to the south, Pics Paradis is home to unquestionably some of the best views on the island.
- Maho Beach 25KM/15,5 Miles 35min
There are certainly much prettier beaches lining the shores of St. Martin, both on the Dutch and French sides of the island. But people don't only flock to the sands of Maho Beach for sun and sand Why? Well, because the runways of the Princess Juliana International Airport are just a few meters behind, meaning the landings here bring those Boeings and Airbuses within an arm's length from the ground, rumbling every coconut cocktail and sandcastle in sight!
